This is my request to participate in the Alameda Power & Telecom (Alameda P&T) Weatherization Cash Grant Program. I understand the program guidelines. I qualify for the program and all the information in this application is correct. I understand that there is no obligation to proceed with, or pay for, the weatherization until I have signed a contract with a pre-approved weatherization contractor and Alameda P&T has signed a contract with the contractor. Alameda P&T may require or I may want a pre-installation audit. I understand that an Alameda P&T representative will do a post-installation inspection of the weatherization measures. I understand that if I am a tenant, the property owner or manager must sign this application and sign the contract agreement with a pre-approved weatherization contractor before any work starts.
